

# NEW SHOWERDEC®

Create a user friendly wetroom quickly & simply.

## SHOWERDEC® FEATURES

- Creates a complete level access wetroom shower area concealed beneath the vinyl or tiled flooring once installed.
- Exceptionally strong design FEA\* tested to withstand weights of **297KG / 46 Stone** with minimal deflection.
- **24mm** thick for strength and rigidity.
- 40mm flat area around the floor former perimeter for shower doors to sit securely onto.
- Larger shower area, ideal for wheelchairs.
- Extensive range of practical half height shower doors available.
- Supplied **without** waste. 2 part, 50mm water seal gravity trap available, *see opposite*.
- Lifetime guarantee.

\*Finite Element Analysis (FEA) is a computerised method for predicting how a product reacts & behaves to real world physical forces.

## INSTALLER FRIENDLY

- No raised collar around the underside of the waste making installation on timber floors easier.
- Circular ribbed underside designed for setting into a concrete or screed base and eliminates slippage when installing.
- Textured top surface allows excellent adhesion of vinyl flooring.
- Excellent falls built into the top surface.
- Pre-formed semi-drilled fixing points.
- Can be cut to size in virtually any position using a circular saw or jigsaw.
- Suitable for timber & screeded floors.
- Offset waste positions to avoid joists.
