

For Complete Independence Choose Absolute Mobility

Absolute Mobility are still trading and will attempt to answer your calls, emails and requests as promptly as possible.

We therefore ask that if you have an interest in our Walk-in Baths, Walk-in showers or Wet Rooms that you register your interest as soon as possible via our website or telephone on 01491 411041, where one of our advisers would be happy to speak with you.

We are confident that during these uncertain times there will be people at home browsing the internet looking for accessible bathroom solutions but waiting for the right time to enquire.

With this in mind (and due to our current workload being postponed) we are taking bookings for June 2020 onwards and would like to work with you to customise our approach to your potential new bathroom installation.

So why not give us a call now to book a home visit appointment to avoid any further delay once the current Covid-19 restrictions are relaxed.

From all the team at Absolute Mobility we wish that you and your loved ones stay safe during this difficult time and we look forward to seeing you soon.
